

Information Technologies

Southwestern Baptist Theological Seminary

Connecting students to the tools for learning • Stop at the IT Help Desk under the Rotunda for help

USER ACCOUNTS

To gain access to your accounts you will first need to visit <https://levi.swbts.edu/SAI/>. Here you will find user names and passwords for all of your accounts.

WIRELESS ACCESS

We have student wireless available in the libraries, Student Center, Dorms, MacGorman Chapel, Scarborough and Fleming Hall, the World Missions Center, and the RAC. To learn how you can connect to the wireless service, go to:

<http://technology.swbts.edu/category/wifi/>

DISCOUNTED SOFTWARE

Some computer software resellers provide educational discounts for their software. You can find links to resellers here:

<http://technology.swbts.edu/software/>

BLACKBOARD

You can access online course materials via your Blackboard account. To access your Blackboard account go to: <https://blackboard.swbts.edu/>

Be sure to change your password right away to make your account secure!

WEBADVISOR

Use WebAdvisor to manage your courses and view your grades and charges. Access your account at:

<http://technology.swbts.edu/webadvisor/>

STUDENT E-MAIL

Southwestern provides each student an official email account. You are encouraged to check your account regularly in order to stay informed. To learn more about your student email account go to:

<http://technology.swbts.edu/accessing-your-email/>
